

## Three reasons to #ThinkVeteranThinkNova

Working in partnership with veterans, police, prison and probation teams

1. Op NOVA is England's first **fully commissioned** and **nationally available** support service for veterans in the justice system. We support veterans to engage with their local communities.

Our national network of community-based, specialist caseworkers provides seamless support for veterans and their families throughout England.

Local caseworkers - Local connections - National availability

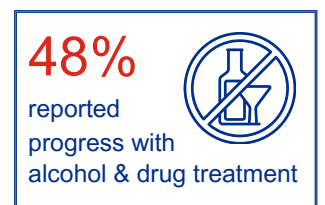

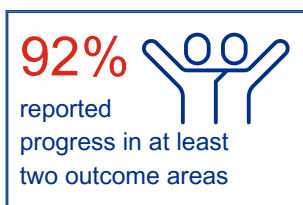

2. Op NOVA is the only **single support pathway** for veterans. We are active and accessible at all points of the justice system, providing joined-up, collaborative support from arrest to probation.

“  
My arrest was my turning point. Op NOVA changed everything for the better.  
Op NOVA client”

“  
Op Nova has helped you massively and supported you in your sentencing, and we hope their involvement will continue in the future.  
Judge”

“  
I didn't know that support could work like this. Thank you.  
Op NOVA client”

3. Op NOVA is proven to deliver **life-changing** - and often **life-saving** - practical and emotional support. We use Justice Star outcomes to provide meaningful and consistent support that works.

To refer a veteran or talk to your regional team:

Freephone: 0800 917 7299

Monday to Friday: 8am – 8pm | Saturday: 8am – 2pm
